## Judges List Application

### PROGRAM GOALS

- Establish high standards for judges at National Holstein Shows.
- Provide lists of judges who are highly capable of judging at all levels of Holstein shows, and encourage shows to select judges from the lists.
- **NEW! Enhanced Profile:** To improve the exposure for those on our Judges List, Holstein Association USA will present a one-page summary on each individual when you click on their name on the judges list section of the Holstein website. Besides a name and phone number, the website will display an email address, photo, bio, key shows judged, and an indicator if the judge enjoys youth shows and showmanship. This will also help shows in selecting their judges. The bio can serve as an easy reference introduction at shows. Providing information for an enhanced profile is optional.

### TO APPLY

- Applications are available at [www.holsteinusa.com](http://www.holsteinusa.com). Type your responses in the PDF and save file for submission.
- **New applicants** who have not previously been on the National or Qualified Show Judges Lists must submit a fully completed application for consideration. It is important to provide a complete and accurate list of judging assignments, as part of the selection process is based on both the caliber and number of shows judged.
- Applicants must agree to adhere to the Holstein Association USA Showring Policy as defined in the National Show Program.
- Applicants must have attended and received a "satisfactory" rating at a Holstein Association USA Judges Conference within a five-year period to be considered for inclusion on the Judges List. Complete details, location and conference registration information are available online at <http://www.holsteinusa.com/shows/judges.html>.
- Applicants must be current Holstein Association USA members.
- **Applications must be received by August 1.**
