We believe HOOSICK combines everything the breed is looking for - great type, great health traits and great cow families. With both DELLIA and HALO in his maternal pedigree, he combines two of the greatest brood cows to ever live. His dam COOKIECUTTER DELTA HABITAN-ET recently classified Excellent-90. This family has made sires such as former #1 TPI proven sire AOT SILVER HELIX-ET, as well as sires of sons currently being used in AI. The 2020 Unanimous All-American Spring Calf, AOT AVALANCHE HANGOVER-ET, is a maternal sister to HOOSICK. The global interest in this family is at an all time high!
