Brian Waldner, Blumenfeld Holsteins LLC

*NAVIGATOR comes through as the epitome of the Blumenfeld breeding program! He is the perfect bull that exemplifies what we breed for every day- huge components, extreme PL, positive fertility, and great udders, besides one of the most important traits for today's industry- moderate frames. He combines all this with high mastitis resistance and low SCC. His cow family has delivered for generations and he can bring these valuable traits to your herd!*
