At Our-Favorite Holsteins we have been concentrating on breeding high type bulls. His dam Our-Favorite Compelling-ET is an 88 point Hang-Time daughter with near perfect udder and feet and legs. She also is a great component percentage cow which shows in her genomic numbers as well as in Charisma's. Charisma is an all around bull with high type that should fit into a lot of breeding programs. As breeders we are very proud that Charisma carries our prefix for eight generations and that each of those generations was one of the best cows in our barn. Charisma follows our Unlimited Type brand!
