

Holstein Association USA

Judges List Application

PROGRAM GOALS

- Establish high standards for judges at National Holstein Shows.
- Provide a list of judges who are highly capable of judging at all levels of Holstein shows, and encourage shows to select judges from the list.
- Improve exposure for those on our Judges List by offering an enhanced profile; an optional one-page summary including the judges' name, phone number, email address, photo, bio, key shows judged, and an indicator if the judge enjoys judging youth shows and showmanship.

TO APPLY

- Application is available at www.holsteinusa.com.
- Type your responses in the PDF and save file for submission.
- Once submitted, the application will remain active for five years, provided the applicant has attended a Judges Conference within the last five years.
- **New applicants** who have not previously been on the National or Approved Show Judges Lists must submit a fully completed application for consideration. It is important to provide a complete and accurate list of judging assignments, as part of the selection process is based on both the caliber and number of shows judged.
- **Repeat applicants** may use the same application form, but only need to list any NEW shows judged since their last submission. They may also update their photo, bio, and top five judging experiences. Updating the application extends the active application status for another five years.
- Applicants must agree to adhere to the Holstein Association USA Showring Policy as defined in the National Show Program.
- Applicants must have attended and received a "satisfactory" rating at a Holstein Association USA Judges Conference within a five-year period to be considered for inclusion on the Judges List. Complete details, location and conference registration information are available online at <http://www.holsteinusa.com/shows/judges.html>.
- Applicants must be current Holstein Association USA members.
- **Applications must be received by MAY 1.**
- Email application to:

Tim Ziemba

tziemba@holstein.com

We will acknowledge receipt of your application by email.

If you do not receive a response, please call to confirm receipt, 800.952.5200 ext. 4285

SELECTION

- All applicants will be reviewed.
- All approved applicants will:
 - Have a significant resume of experience at regional, state or local shows of varying caliber and breeds.
 - Maintain a high level of professionalism both in and out of the showring.

The Judges List is divided into two categories – National and Approved. Those who have judged a State Open Holstein show or higher will be accepted onto the **National Judges List**.

The Judges List will be approved by the Holstein Association USA board of directors and published on the Holstein Association USA web site by the first week in August.
