Tyler Reynolds works on his family's dairy farm, Reyncrest Farm in western NY. Upon graduation from Cornell University in 2013, Tyler returned home to the dairy where they now milk 1,300 Registered Holsteins® and crop 2,400 acres of land. In addition to the commercial dairy the Reynolds family also has 40 head of show cattle on the farm as well. Tyler and his wife Kelly as well as his siblings, Andy, and Mackenzie show cattle at local, state, and national shows. They have bred 17 All-American nominations and have had many Junior All-American nominations as well. In 2019 Reyncrest Farm was named Premier Exhibitor at the Northeast Spring National and the Premier Breeder at the Northeast Fall National Holstein Shows as well as being the Premier Breeder of the HAUSA All-National Contest. In addition, they were the Premier Breeder and Exhibitor of the Heifer Show at World Dairy Expo and the Premier Breeder of the Heifer Show at the Royal.
