Brian and his wife Tami live in Brooklyn, WI and help at Tami's family Farm, Glenn-Ann Holsteins LLC. along with working off the farm at ABS Global, managing the St. Jacobs product line.

After graduating from The University of Wisconsin Madison, Brian and Tami moved to the state of Washington and called it home for 12 years before returning to Wisconsin. While in Washington, Brian worked as a sire analyst for Landmark Genetics, a herdsman at Roylane Registered Holsteins and as Herd Manager at Wilcoxview Holsteins.

He has worked in AI since 2003, gaining experience as a salesman, regional manager, and a sire analyst for Semex before taking his current role as ABS/St. Jacobs business manager in 2016.

Brian and Tami enjoy traveling, cheering for the Bucks, Brewers and Packers as well as the Wisconsin Badgers and spoiling their nieces and nephews.
