Luke currently works for Merck Animal Health in northern Minnesota as a ruminant sales manager dealing with both beef and dairy cows. Luke lives on and helps operate Raylore Farm; a 50-cow dairy farm made up of mostly Holsteins along with a few Jerseys. Judging and competing in the show ring has been a lifelong passion for him. One of his greatest joys is helping keep our youth interested in the show ring as well. He looks forward to many more shows to compete in and to judge at in the future. In his spare time, he enjoys following numerous Minnesota sports teams. He also enjoys hunting and ice fishing.
