

## Molly Sloan

Lake Mills, WI

815.670.3706

molly.sloan@urus.org

Molly lives in Lake Mills, WI with her husband, Matt and two children, Dane & Claire. She grew up on her family's registered Holstein herd in Marengo, IL. She has owned and worked with many elite show animals, including her own All-American Holstein and Red & White Holstein nominations.

Molly works for URUS Group, a dairy and beef holding company known for its family of organizations including Alta, GENEX, PEAK, Jetstream Genetics, SCCL, and VAS. She serves as the Global Director of People Development & HR, where part of her focus is to develop trainings for global dairy producers and internal staff. During her career she has traveled to 16 countries and throughout the US to speak about and implement dairy genetic programs.

She has judged major shows in 20 states throughout the US and has been a three-time lead judge at World Dairy Expo. She has also judged internationally at major shows in Australia, Brazil, Canada, France, Peru, and the UK.

### **Top five most significant judging experiences:**

- World Dairy Expo International Ayrshire Show (Madison, WI; 2016)
- World Dairy Expo International Guernsey Show (Madison, WI; 2021)
