Michelle Morian was born and raised in Atlantic, Pa. on her parents dairy farm. The family milks Holsteins, Jerseys, Red & Whites, and Brown Swiss under the Mish-Ro Holsteins & Jerseys and Indelible Brown Swiss prefixes. Michelle has bred a number of EX cows, as well as several All-American and Junior All-American nominations, and also runs her own agricultural graphic design business: Michelle Morian Design. Through that business, she has created promotional materials, ads, banners, pedigree signs, logos, sale catalogs, and much more for breeders across the United States, Great Britain, Scotland, Ireland, Switzerland, and Australia.

Michelle also loves giving back to youth, through judging showmanship competitions, giving showmanship and fitting demonstrations, and encouraging youth of all ages to fall passionately in love with the dairy cow.
