- North American Livestock Expo
- Maryland State Fair
- Kentucky State Fair
- Numerous County Fairs
- Officiating Judging Contest

In addition to judging conformation classes, this judge also enjoys:

- Youth Shows
- Showmanship

Jeff Stookey of Milford, Ind. milks Registered Holstein and Jersey cows with his wife Marla. His children and their spouses all help out on the family farm. Jeff is a 7th generation dairy farmer whose passion for the dairy industry started at a very young age. He worked side by side with his father John Stookey on the family farm. It is from these experiences that he developed the love for the industry. While working on the farm he also started fitting cattle from 1977-1993.

Jeff has a true eye for animals. While on the road working he would buy animals. He loves picking one out of a herd of cattle and making her into a show winner. This combined with his quality base herd has allowed his herd genetics to excel. He has had 47 All Indiana's from 1998 -2016 with 24 reserves from the same time period. He has not only exhibited animals across the US but has also judged many different fairs.
