Aaron, along with his wife Caitlin and daughters Avery and Evelyn run Eaton Holsteins in Marietta, New York.

They manage their cattle in collaboration with Currie Holsteins, where Aaron assists with daily operations, cattle development, showing, and marketing. Eaton Holsteins has owned or developed more than 150 All-American or All-Canadian nominations and has produced numerous champions in the Holstein, Jersey, and Red & White breeds at prestigious events like the World Dairy Expo and the Royal Agricultural Winter Fair. Most notably, Highcroft Absolute Lily and Rach-Len Dundee Lilly who are both 3E-97 as well as Underground Adeline 2E-97 have all been perennial campaigners on the international level for the past 10 years.

Before committing full-time to his family farm, Aaron gained international experience working with many well known show herds and sales as a dairy cattle fitter for 12 years. He has judged various state, regional, and national shows throughout North America, recently serving as an associate judge at the 2024 international Holstein show and the 2023 Canadian National Holstein Show.
