Belle Dallam is from Bel Air, Maryland where she currently works as the herdsman on her family's dairy farm, Broom's Bloom Dairy. They milk 50 Registered Holsteins and Red & White Holsteins, with a select group of Guernseys. The family also processes all their own milk directly on the farm, producing quality milk, cheese, and ice cream.

Belle grew up passionate about quality animals and developed a love for the show industry. She began her judging career in Maryland 4-H where she placed in the top 10 at World Dairy Expo. Belle has also been showing dairy cattle from a young age and continues to show at the state and national level.

Belle graduated from The Pennsylvania State University in 2022 with a Bachelor's degree in Animal Science and a minor in Agribusiness Management. While at Penn State she was a member of the 2019 Penn State Dairy Judging team, which placed 1st at the All American Contest and 2nd at World Dairy Expo. Belle now spends her free time coaching the Harford County 4-H Dairy Judging team.
