Crystal Sinn grew up in Cleveland, Wisconsin on her family's Registered Holstein farm where she exhibited purebred Holsteins at local, state, and national levels. She has bred one EX-95 cow, Siemers Alisha Gold Ava-ETS, who was recognized in 2012 as the Star of the Breed, courtesy of Holstein Association USA. Alongside her mother and grandmother, Crystal enjoys acquiring, breeding, and showing elite Jerseys and Holsteins under the name "Cupid Cattle Company." In 2016, she was part of the winning team at the National Intercollegiate Dairy Judging Contest at World Dairy Expo. Crystal graduated from the University of Minnesota-Twin Cities with a Bachelor of Science in Agriculture and Food Business Management. After graduation, Crystal worked for the Department of Agriculture, Trade, and Consumer Protection serving Wisconsin's agriculture industry as the 70th Alice in Dairyland. Crystal works for Sartori Cheese as a National Sales Account Manager, selling bulk cheese to food service and ingredient customers, and closely collaborates with chefs and research and development teams across the United States. Additionally, Crystal and her husband, Ean, own and operate the "Sinn Family Celebration of Life Center," a funeral home and event center in Trimont, MN. In her spare time, she enjoys deer and turkey hunting, as well as spending time outdoors. One of her biggest passions in life is working with youth on their dairy judging and showmanship skills.
