Top five most significant judging experiences:

- World Dairy Expo Milking Shorthorn, Madison, WI
- National Brown Swiss Show, Mexico
- Southwest National Brown Swiss Show, Stillwater, OK
- All-American Jersey Jug Futurity, Louisville, KY
- All Breeds at North American Livestock Expo, Louisville, KY

Dean Dohle, along with his wife Stacy and son Grant, owns and operates StarStruck Farm in Pleasant Hope, Missouri. The farm is home to a herd of 50 Jersey cattle and is the heart of the Dohle family's passion for the dairy industry and the showing.

A professional cattle fitter for over 15 years, Dean has worked with numerous national champions and All-Americans across several breeds. Among his many achievements, he is especially proud to have bred and owned All-American nominated cattle in three different breeds—a testament to his expertise and dedication.

Today, Dean oversees the daily operations at StarStruck Farm. Together with his family, he actively participates in showing their Jerseys at state, regional, and national levels throughout the year.

Dean's passion for the dairy industry extend beyond the barn. As a highly respected dairy cattle judge, he has officiated at regional and national shows in over 30 states, as well as in Mexico and Italy. Notably, he has served as the Brown Swiss Associate Judge twice and was the official Milking Shorthorn Judge at the prestigious World Dairy Expo. His judging résumé also includes six breeds at the North American International Livestock Expo, the National Jersey Jug, and three breeds at the All-American Dairy Show in Harrisburg, PA.

Dean's contributions to the industry have been recognized with some of its highest honors, including the A.C. "Whitie" Thomson Award for sportsmanship and leadership, and the 2019 Klussendorf-MacKenzie Award—one of the most esteemed awards given at World Dairy Expo.
