Matt Sloan has owned and operated his own hoof trimming business, Carpe Diem Hoof Trimming, for the past 15 years. Matt works with premier show herds in the Midwest and some of the largest, most progressive dairies in Wisconsin and Illinois. He has also spent the past 25 years working as a professional cattle fitter. This has taken Matt to numerous states and 15 foreign countries to prepare cattle for state, regional, and national shows. Matt has had the privilege to prepare several breed champions and junior champions at the World Dairy Expo, Royal Winter Fair, and other major shows throughout the world. Matt has expanded his talents with show cattle as a judge at several local, state, and regional level shows in all breeds. One highlight includes serving as the Associate Judge of the Holsteins at the Swiss Expo. Today Matt owns, develops, and boards a small group high-profiled animal. Past animals that the Sloans have cared for include several that have earned All American nominations and WDE winners in 5 of the major breeds. He enjoys spending time working with his own animals alongside his wife, Molly, and their two kids, Dane & Claire.
